

CANYON™

C O L L E C T I O N

RICH IN
TEXTURE
& TONE

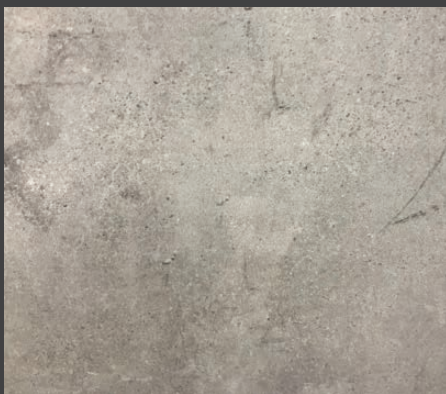

It conjures up thoughts of The Grand Canyon, deep valleys of red and yellow rock crowned by glowing sunsets.

CANYON COLLECTION™

Canyons are by nature a serene landscape, filled with geographic rock lines where time stood still and contrasting textures, filled with every colour of the warm colour spectrum. It's a mix of nature's design and a wonder to mankind.

In the same way, contemporary design mimics nature in colour and texture to seek decor that is timeless edged with personal taste. With a landscape so rich in these aspects and a sense of familiarity, our Canyon Collection™ range evokes a look that is current yet engaging for any room.
